TRADING CARD GAMES AND RELATED ACCESSORIES

Trading card games (TCGs) are a popular form of entertainment that involve players collecting, trading, and playing with specially designed cards. These cards typically feature characters, creatures, or other elements from a fictional universe and often have unique abilities or attributes that players can use in strategic gameplay.

Goods are classified according to Harmonized commodity description and coding system in accordance with the General Interpretative Rules (GIR) and the duty rate is determined according to the Export Import Law 31/79.

These are collectible card games which are sold in booster packs. This pack includes a binder to store the cards, sleeves to protect the cards and mats to play the cards. With reference to NO:11 of EN to heading 9504, card games of all kinds (bridge, tarot, "lexicon", etc.) shall be classified in HS subheading 9504.40.

Therefore, the applicable HS code for the product "TRADING CARD GAMES AND RELATED ACCESSORIES" is 9504400000 and rate of duty is 0%.

Given the game's inclusion of trading, chance and risk alongside the limited clarity of available online resources regarding its gameplay, we strongly recommended to reach out to the Ministry of Islamic Affairs to ascertain if there are any religious restrictions on importing this product.
