PROTEIN 10G

The 'lighter' protein version - containing 10g of collagen protein -WOW HYDRATE Protein 10g is the perfect drink to incorporate into an individual's day-to-day routine, no matter how active they are. It's sugar free, provides essential vitamins and contains around 55 calories per bottle.

Each drink includes:

- · 10g of collagen protein which is easily digested and regulates appetite, improves bone, skin, nail and hair health and balances blood sugar levels.
- · BCAAs, which are essential amino acids we need in our bodies, used as a quick energy source. BCAAs also help to preserve and build muscle mass while burning body fat.
- · Vitamins B6, C and D, which are vital to maintaining a good immune system and preventing oxidative damage caused by exercise.

WOW HYDRATE

Protein 10g Helps With:

Staying In Shape

Regular consumption of collagen helps to regulate appetite, meaning that consumers can stick to a diet that complements their training routine.

Maintaining Healthy Muscle

Collagen helps to stimulate the production of new bone cells and reduce bone breakdown.

Maintaining Energy Levels

BCAAs can help to reduce fatigue, meaning that you'll benefit from the boost during your training.
